RESOLUTION

New Delhi-2, the 3rd February 1956

SUBJECT:—National Council for Higher Education for Rural Areas.

No. F.3-12/55-D 6(RHE).—1. For some time past Government of India have been considering the need for removing the disparity between the Rural and Urban areas in the matter of education. It is being increasingly recognised that the provision of such facilities in rural areas should be greatly increased, but it need not be on the same pattern as that in the cities and towns. The University Commission as well as the Secondary Education Commission have made certain important recommendations in this behalf. Meanwhile some promising rural institutions have grown up under the auspices of non-official agencies and they have done good work in the field of higher education for rural areas.
